

DELEGACIÓ DE LA COMUNITAT  
VALENCIANA A BRUSSEL·LES

FUNDACIÓ COMUNIDAD  
VALENCIANA – REGIÓN EUROPEA

### **REF:070503 EXPERT IN PROJECT MANAGEMENT**

**The Fundación Comunidad Valenciana-Región Europea** has been working to develop the Valencian Region and bring it closer to the European Union. FCVRE is a non-profit organisation that combines the private and public partnership. Some of its partners are the Valencian Regional Government, private enterprises and municipalities. Currently, FCVRE participates in over 40 European projects and gives support and advice to numerous entities and organisations from the Valencian Region. Among its activities, FCVRE establishes bonds and collaboration links with other European regions. It also plays an important role for the labour insertion of young people into the labour market not only within the Valencian Region, but also in other regions and countries and it helps them also to orientate their career at European level.

**WE ARE LOOKING FOR** a Graduate in Sciences, Agronomist Engineering or Electrical Engineering, with a Postgraduate in project management, environmental management or energy efficiency and renewable energies, preferably with complementary training in European issues and EU financing programmes.

An internship at the European Commission or another International Institution will be an asset.

Tasks to be carried out are as follows:

- Follow-up of European Policies in the field of environment and renewable energies.
- Management of EU-financed projects in the fields of Renewable Energies, Energy Efficiency and Eco-innovation.
- Responsibilities in the participation process for European calls for proposals for Intelligent Energy for Europe programme and the LIFE+ programme.

Knowledge of languages: A good knowledge of Spanish and English is required. The knowledge of French will be an asset.

**WE OFFER** a Spanish work contract. Conditions and salary according wage agreement.

#### **Submissions of applications:**

If you are interested and you meet the character requirements relating to the position, please send detailed curriculum vitae to [comontero@delcomval.be](mailto:comontero@delcomval.be), informing us about your availability to potentially start working with us as well as to arrange an interview.
